

## Equipment Rental Program

### Why rent the equipment?

- Rent our equipment at a very reasonable price for 20 business days and test it in your own lab before making the investment.
- Avoid restocking fees by returning purchased equipment you end up not wanting.
- If you decide to purchase the equipment after your rental, you will receive free material. Purchase must be made through an authorized distributor within 3 months following the end of the rental.

### Rent the following products for 20 business days:

- \*Automatic Injector
- \*Hydraulic Injector
- \*Manual Injector
- Injection Flask
- Digital Furnace
- Cylinder with Handle + 2 Bronze Disks (1 thin, 1 thick) + Knock Out Kit
- JP90 Kit. JP90 Handheld Injector works in conjunction with the TCS Digital Furnace. If you do not own the TCS Digital Furnace you will need to rent it separately.

\*Includes 10 cartridges (your choice of Unbreakable, iFlex, Karadent, or a combination)

### What if you decide to purchase the equipment?

You will need to return the equipment you rented to TCS and place your order through an authorized distributor for the new equipment. The rental equipment is not available for purchase.

### Main contact for program:

Claudia Leiva

## Terms and Conditions:

- Rent upon availability.
- Prepay rental fee.
- Equipment must be shipped back (in route) to TCS by business day 21 of your rental agreement to avoid a late fee charge. A return label will be supplied to you. Please do not ship equipment without RMA and return label.
- The rental fee includes ground shipping with FedEx to your lab and back to TCS. Missing items/parts will be billed and charged to the credit card on file, or may be returned to TCS at your own expense within 5 days of notice.
- Customer is responsible for difference between ground shipping and express shipping.
- For approved rental extensions, there is an additional charge of \$5 per day beyond the 20 business days of the rental.
- You must provide a valid credit card as a security deposit for damages to the equipment, failure to return equipment without proper packaging, or late return, etc. may result in:
  - Damage to equipment: up to \$3,000 (includes damages in shipment if returned with improper packaging)
  - Violation of “conditions for specific rental” (section below): up to \$250
  - Late return. A non-refundable fee of the following will be charged for a late return:
    - \*\*Fee is based on the day the label is scanned by the shipping company.
    - Day 22 to Day 24: \$50
    - Day 25 to Day 27: \$100
    - Day 28 to Day 30: \$200
    - Day 31+ will automatically incur a charge at the current suggested retail price of the product rented. If equipment is returned within 45 days from the start of the rental charges are 50% refundable.
- Must be shipped back in the original packaging (just as you received it). Please use RMA and return label supplied.

## Conditions for specific rentals:

- JP90 Kit includes (underlined items must be returned at the end of rental):
  - JP90 Handheld Injector
  - JP Flask with allen key
  - 400 gr Putty
  - 10 large bullets (your choice of TCS Unbreakable, iFlex, Karadent, or a combination)
  - 5 small bullets (your choice of TCS Unbreakable, iFlex, Karadent, or a combination)
  - 2 metal sprues
  - Pusher
  - 2 waxed cases for testing

\*The JP90 Handheld Injector works in conjunction ONLY with the TCS Digital Furnace, if you do not own a TCS Digital Furnace you must rent one separately).
- Hydraulic injector must be returned completely free of oil.
